CENTRAL UNIVERSITY

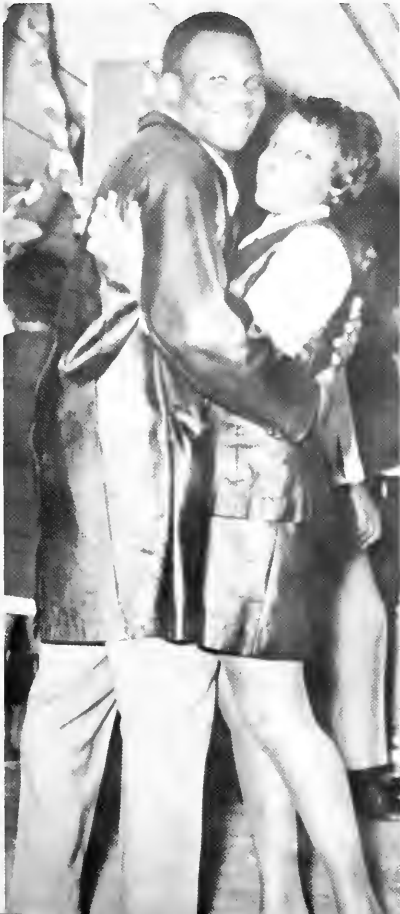

FOREWORD

Life on a campus is revealed through its people, a miscellaneous assortment of personalities — the brilliant, the cheerful, the athletic, the leader, the popular, the radical, the successful, and all types. The aspiration of the 1970 Eagle staff is to select, describe, and illustrate the wonderful and unique personal experiences which will long be remembered and cherished by all.

The staff hopes that this production will bring pleasure to those who view it, for we derived pleasure in trying to piece together a significant and interesting story in this edition of
